Reports & Updates

Chadwick Collins, Technical Director and Acting Chair, reviewed the actions taken since the first ad hoc meeting was held during the ASTM committee week in December 2024. He reported that the draft response had been distributed, and comments collected.

Opening the floor to further comment and discussion, members discussed the value of continuing to pursue a written response. It was decided to postpone any additional work on the draft written response and to direct Chadwick Collins and Scott Carpenter to have a phone call with IIBEC

*SPRI complies with antitrust laws and requires participants in its programs to comply with antitrust laws. Discussions which could affect competitive pricing decisions or other competitive factors are forbidden. There may be no discussions of pricing policies or future prices, production capacity, profit margins or other factors that may tend to influence prices. In discussing technical issues, care should be taken to avoid discussing potential or planned competitive activities. Members and participants should be familiar with the SPRI Antitrust Policy and act in conformity with it.

leadership to discuss SPRI's overall concerns and to report the results of that call at the April meeting.
