**Staff:**

Chadwick Collins, SPRI  
Carl Silverman, Legal Counsel

**Reports & Updates**

Stephen Childs reviewed the Task Forces that completed their work in 2024 and acknowledged their work.

**Approval of Previous Meeting Minutes**

On a motion duly made, the October 2024 Technical Committee meeting minutes were approved as presented without objection.

**Reports & Updates**

*Code Development Task Force –Chair Amanda Hickman reported the following:*

- Reviewed the current state of the 2027 ICC code development process
- Reviewed FBC work in progress for the 9<sup>th</sup> edition
- Provided an update on the IAPMO hearings regarding the UPC proposal on GT-1
- Reviewed work related to ASHRAE standards.

*Codes & Standards Task Force Chair Chadwick Collins reported the following:*

- Reviewed Canadian plastic reporting and US PFAS regulations
- Highlighted that more state-level regulatory work is expected for the next few years
- Reviewed current code adoption rates for the US
- Reviewed work with other industry organizations.

*Cover Board Task Force –Chair Warren Barber reported the following:*

- The Task Force reviewed the cover board definition used in SPRI statistics
- The Task Force began a discussion about a cover board white paper; the draft is to be circulated.

*Document Stewardship Committee Chair Chadwick Collins reported the following:*

- Presented the draft objective statement for approval
- A motion to recommend the objective statement to the Board was approved without objection.
- Reviewed the presentation of the tracking spreadsheet.

*DORA™ Edge Securement Task Force Chair Bob LeClare reported the following:*

- Task force approved the Engineered Components document
- Without objection, the Engineered Components document will be presented to the Board for approval
- On the condition of the Board approving the document, it was recommended to disband the Task Force; without objection, the Technical Committee approved the Task Forces' recommendation, contingent on the approval of the document by the Board.

*DORA™ Fire Classification Task Group Chair Chadwick Collins reported the following:*

-After discussion, actions items are to confirm remaining concerns from UL and other parties along with working with Intertek to develop a mockup to show members.

*DORA™ Listing Service Steering Committee Chair Chadwick Collins reported the following:*

- Reviewed marketing data for the 4<sup>th</sup> quarter
- Reviewed KPIs and other metrics for the database
- Reviewed last Steering Committee meeting proceedings
- Reviewed background for wind uplift terminology and a proposed term to be considered by the Steering Committee.

*ED-1 Canvas Task Force chair Bob LeClare reported-* Task Force continued to review the document for updates related to reference documents

*Internal Positive Pressure Task Force Chair Chris Mader reported the following-* A redline draft will be distributed to interested parties to have comments back to the chair by the beginning of March, to have an edited draft distributed for the April meeting.

*PVC/KEE Task Force Chair Chadwick Collins reported:*

- The context around the Ad Hoc Task Force
- The Task Force discussed the written draft and opted to postpone the draft
- The Task Force directed Mr. Collins and SPRI President Scott Carpenter to call IIBEC leadership.

*RD-1 Standard Update Task Force Chair Liam Donovan reported the following:*

- Task Force determined its objective has been met and voted to disband
- Without objection, the Task Force's recommendation to disband will be presented to the Board.

*Recycling Task Force acting Chair Chadwick Collins reported the following:*

- The Task Force discussed items that could be put on a survey
- A draft will be developed for review at the April meeting.

*Resiliency Standard Task Force – Task Force Chair Mario Ibanez reported the following- reported on Progress on the definition of resiliency and a draft document.*

*Rooftop Equipment Attachment Task Force Chair Daniel Blasini reported the following:*

- The Task Force reviewed the scope and will utilize the new SPRI template
- The Task Force reviewed relevant documents to the development of the new document.

*RP-14 Revision Task Force – Technical Committee Chair Chris Mader reported the following- Task Force is considering changes to address remaining negative votes.*

*Standards Library Task Force – Technical Committee Chair Stephen Childs reported on behalf of Chair Chris Mader the following:*

- The Task Force voted to update the listed tolerances that are in the template document based on feedback; without objection, the updates were accepted
- The Task Force voted to disband, without objection from the Technical Committee
- Technical Committee recommendations will be presented to the Board.

*VOC South Coast AQMD Task Force Chair Fred Walnut reported the following:*

- The Task Force reviewed an update on Rule 1171, which focused on PCBTF. PCBTF is a component involved in solvent-cleaning operations
- Member survey to determine exposure to industry; the Technical Committee voted to recommend to the Board to approve a survey not to exceed a cost of \$7000 (vote 42-0-0).

*TDP-1 Task Force Chair Stephen Childs reported the following:*

- First-ballot results were received, and the threshold for the ANSI process has been met
- The Task Force voted to disband as the objective had been met; without objection, the recommendation to disband will be presented to the Board.

*WD-1 Revision Task Force chair Dan Scheerer reported the following:*

- First ballot is completed
- The Task Force reviewed the negatives and how to address them
- Plan to have an updated draft by the beginning of February.

### *Standards Review*

Chadwick Collins provided the following update:

- ED-1 – in process (see above);
- RD-1 – in process (see above);
- RP-14 – in process (see above); and
- WD-1 – in process (see above)
- The standards with 2021 dates that will be on the docket for next year were identified:
  - BPT-1, FX-1, IA-1
  - Mr. Collins recommended that a new task force be formed at the next Technical Committee meeting in April.

### **New Business**

No new business items were raised.

### **Adjournment**

There being no further business, the meeting adjourned at 4:23 PM ET.

Submitted by: Chadwick Collins, SPRI Technical Director

These Minutes have been reviewed by SPRI's legal counsel.
